It's A Small World

Doug Schneider, on a postcard hunt in Florida, was startled to come across two cards which were sent from Mattapoisett almost 80 years ago. He brought them back and he shares them with us above and on page 4. The scene above is still familiar as in our top photo taken on last week's bleak Saturday in front of the bathing beach. Arch bridge, in the other photo, certainly is familiar enough although it seems to have improved with age. Notice the cancellation date of 1907.

We've put the Wanderer on the cover to complete the time warp.

Sewer Agreement Signed

MATTAPOISETT SELECTMEN'S MEETING
FEBRUARY 25, 1992-by BRIAN KEENE

After years of negotiations and many lengthy delays, Selectmen and Water and Sewer Commission members signed a new sewer agreement with the Town of Fairhaven. The twenty-year contract will double Mattapoisett's existing capacity at the Fairhaven Waste Treatment plant to 500,000 gallons a day, which will accommodate expansion of the town sewer system far into the future, according to Selectman Daniel O. Mahoney. The new agreement also makes Mattapoisett a ten percent owner of the plant, enabling the town to receive waste treatment services at cost, unlike other towns which must pay a usage fee.

Negotiations began on the agreement six years ago when it was approved at town meeting, but delays and cuts in Federal and State funding almost broke down talks several times. Selectmen Chairman John DeCosta praised the Mattapoisett Water and Sewer Commission and the Fairhaven Water Department for the hours of hard work and discussion they put into the agreement. He also pointed to the overall spirit of cooperation that surrounded the discussions from the beginning. Selectman Mahoney added that he felt they had "finally gotten it right" and that both towns would benefit from the agreement.

Mattapoisett has been using the waste facility since the early 70s, and contributed $695,000 to its original construction. Current capacity would have prohibited further expansion of Mattapoisett's sewer system,

In other business, selectmen:

RECEIVED AN UPDATE from Dennis Luttrell, Executive Director of the Buzzards Bay Action Committee. He emphasized that he was not at the meeting to grade the town, rather to deliver a positive message on the tremendous progress that has been made to preserve the environment in and around Buzzards Bay. Mr. Luttrell said that the Buzzards Bay project had attracted the attention of Washington, and that Federal grants were a strong possibility in the near future.

MET WITH Lee Craver, President of the Tri-Town Housing Co-Op, Inc., to discuss the group's efforts to preserve the fiber of the community by making affordable housing available to current area residents who are not homeowners. The Co-Op is studying other efforts in communities around Boston that have been successful, in hopes to bring about similar successes here. They have just received a Federal Grant to begin the study, and have gotten much help from area banks and businesses.

APPOINTED Selectman Paul Lambalot as liaison to Town Counsel on SEMASS litigation.

APPOINTED Walter Smith as Special Town Counsel for the proposed cluster zoning development at Point Connett.

RECEIVED A LETTER from Commander John N. DeCosta of the Florence Eastman Post 280 American Legion saying that financial circumstances will make it impossible for the group to participate in the annual Tri-Town Veterans' Day Parade.

RECEIVED A LETTER from Mr. and Mrs. Bert Theriault of Holly Street commending the Highway Department for the fine job they did in clearing brush along Aucoot Road, thus improving visibility and enhancing the overall appearance of the road.

Your Key to a Lower Cost Mortgage

The unique NBIS FAST-PAY Mortgage can help you build equity in your home faster, save you thousands of dollars in interest, and let you pay off your mortgage years sooner.

If you think that all mortgages are pretty much alike... you should really learn more about the unique FAST-PAY Mortgage from NBIS. With FAST-PAY you can save thousands of dollars in interest and help build equity in your home a lot faster, at virtually the same monthly cost!

Here's how. Instead of making one monthly payment 12 times a year, you make half your monthly payment every two weeks... or 26 times a year. That extra payment each year really adds up. It actually reduces the principal faster... saving you thousands of dollars in interest, not to mention years of mortgage payments.

A big advantage of FAST-PAY is that your mortgage payments are made automatically through your NBIS Now Account. This means you'll never have to remember to write your check every two weeks. NBIS does it for you... all you have to do is to maintain the balance in your account.

So... before you make a mortgage move, find out about the NBIS FAST-PAY Mortgage — it's your key to a lower mortgage cost.

Women in Sports Awards

Two Old Rochester girls were selected to represent our area as recipients of the Women in Sports Day Award at the State House in Boston. This selection was determined on the basis of academics, citizenship, sportsmanship, and athletic contributions. Representative John Bradford also presented legislative certificates to Tiffany Jawor and Julie Xifaras.

Tiffany has been involved in Winter Track and Spring Track. She is the daughter of Edward and Tiffany Jawor of Rochester.

Julie has been involved in Volleyball, Basketball and Spring Track. She is the daughter of John and Margaret Xifaras of Marion.

According to Old Rochester's Athletic Director Joao Rodrigues, "We could not have picked two better girls to represent our communities. They are very fine young ladies."

Friends Sponsor Food Drive

The month of March is CAN-DUE during which The Friends of the Mattapoisett Library are sponsoring a Food Drive with the help of the Mattapoisett Library and the many citizens that support the library. We hope to replenish our Town Pantry.

During March a basket will be located in the Library's foyer. Whenever you visit the Library please bring a canned or non-perishable good to add to the collection. Your donation will be traded for an overdue book fine. If you do not have an overdue fine, a ticket will be provided to you with a $.10 voucher to be redeemed at a future date.

Please help make CAN-DUE Month a success for every town member while helping your neighbors in need.

Family Boating Classes

Prepare for the boating season by joining the Safe Boating Course offered by the Marion Flotilla of the U.S. Coast Guard Auxiliary. Families, new boaters, young people who want to meet the state requirements for those under the age of 16 operating a power boat alone, and those who want to refresh their skills are invited to join the classes which will be held on Wednesday evenings at the Marion Music Hall (VFW) on Front Street in Marion.

Registration will be held from 6:30 to 8 p.m. on Wednesday, March 18th, and subsequent classes will meet from 7 to 9 p.m. on Wednesdays.

For more information please contact Clayton Hagy at 758-3102 or Walter Ulewicz at 763-5424.

In an age where we are "stuffed", there is a need to take time out to consider how to go hungry. Emptying ourselves might give us the insight to see our voids, and the will to fill them with the meaningful elements of life. We are not here to deny the world, but we are responsible for hearing God's promise to provide a fullness of life for all of us.

We all need bread, but where will it come from? The devil offered it to Jesus in the desert, but he had a better source. On this first Sunday in Lent, as we partake of the

Sacrament of Communion, let us give a serious committed consideration to the real source of life. Join us this Sunday at the Mattapoisett Congregational Church; our worship service begins at 10 a.m.

St. Gabriel's, Ash Wednesday

Wednesday, March 4th, marks the beginning of Lent for the western churches around the world in preparation for the Feast of Easter on April 19th. Holy Communion will be celebrated in the chapel at 12:00 noon and 7:30 p.m., with the imposition of ashes for those who wish to take part in this ancient custom of the church. Saint Gabriel's clergy will celebrate the services, and all people are welcome to attend and to take full part both in the eucharist and in the imposition of ashes.

Lent at St. Anthony's

As we look forward to the celebration of Easter every member of the church is called to conversion and renewal during the Lenten Season. The fundamental works are prayer and worship, fasting and sacrifice, generosity and charity.

LITURGY OF RECONCILIATION

In addition to our usual time for confession on Saturdays at 3:30 p.m., on Friday, April 10th, at 7:00 p.m. a Service of Reconciliation will take place with visiting priests available for confession.

SPECIAL PROGRAMS:

Every other Wednesday evening (March 11th, 25th, April 8th) following the 7:00 Mass there will be a program to focus on our journey toward Christ. Each program will be independent of each other and we invite you to participate in one or all of the evenings. The program will follow in the church hall and is designed to begin at 7:30 p.m. and conclude by 9:00 p.m.

On Wednesday, April 1st, the Guild will offer an Evening of recollection on the theme "Fools for Christ". Father Costello will facilitate the evening. All are invited to attend.

On Friday, March 13th, at 7:30 p.m. we shall have a Prayer Concert -The Stations of the Cross, composed by Denise Morency-Gannon. The concert includes vocal meditations accompanied by a string quartet. This very beautiful prayerful evening was last presented here at St. Anthony's on Palm Sunday of 1989. Please extend the invitation to your friends and neighbors in the community to join us.

Please consult the bulletin for further details.

Plumb Library Audiocassettes

ATTENTION COMMUTERS & AUDIO BUFFS

Fifty new audiocassette recordings of popular novels and stories are now available from the Joseph H. Plumb Memorial Library in Rochester. Most abridged titles fill two tapes and run 2½-3 hours in length.

Titles from Louis L'Amour westerns to Jack London and Joseph Conrad will entertain on the ride to work or vacation. These are also useful for those persons who are visually impaired and would like to listen to their favorite authors instead.

Children's books are also available with accompanying books so they might read along and enjoy pictures. Many titles are available to interest youngsters -- Berenstein Bear favorites and many others.

Cassettes may be borrowed for two weeks at a time. Drop by the Plumb Library or call 763-8600 during library hours to hear the complete list of titles. The library is open Mondays from 5 to 8 p.m., Wednesdays from 10 a.m. to 5 p.m., and Saturdays from 10 a.m. to 2 p.m.

The ORR production of this widely acclaimed musical is being directed by Christopher LeBlanc. The Musical Direction is under the guidance of Paul Sardinha and Irina Weatherly is creating the choreography for the production. Rod Hedges, an ORR alumnus, serves as Dance Captain. The Technical Director and Lighting Designer is Eric Spencer, and costumes, designed and created for A Chorus Line, are being provided by Anne Marie Couto. Bruce Cobb, an ORR student, is stage manager for the production.

The Broadway production of A Chorus Line was conceived and originally directed and choreographed by Michael Bennett. Music, including the show's most familiar songs "What I Did for Love" and "One", was written by Marvin Hamlisch with lyrics by Edward Kleban.

The presentation of A Chorus Line by the Old Rochester Regional High School Drama Club is "One singular sensation..." which should not be missed.

Letter to the Editor

On Saturday evening, February 22, 1992 the Mattapoisett Lions' Club sponsored a Spaghetti Dinner with proceeds to be used to help rebuild the shade shed at the Town Beach.

Although not a member of the Lions' Club, I would ask the townspeople to wholeheartedly support this project through financial donations, where possible.

We are very fortunate to have such a public-spirited organization in our town and

Cannon Street at the time of "Down to the Sea in Ships". From Presto Press files

the Lions' support of the town is excellent.

This latest project appeals to me not only as a nice convenience to those of us who need to be at ease while attending the beach but also to those with sensitive skin, to avoid the direct rays of the sun. Skin cancer is becoming more prevalent and I read last week that more than half the population over age 65 will be victims of this scourge.

So, please support the rebuilding of the shade shed through a donation to the Mattapoisett Lions' Club. Any member will be happy to accept your offering.

TO REPRESENT ORR ACADEMIC EXCELLENCE

Old Rochester Regional High School is pleased to announce that Terence Grant Lewis, a junior, has been selected to represent the school in the 1992 Chancellor's Award for Academic Excellence competition to be conducted in April on the Amherst campus of the University of Massachusetts. The candidates receiving this recognition are outstanding Massachusetts high school students who have demonstrated high achievement in academics. T.G. will have the opportunity to compete for a merit scholarship with a four-year waiver of tuition for students enrolling at the university in September 1993.

Each year all high schools in the Commonwealth are asked to nominate a top ranking junior to compete in the competition at the university. Students will be selected for a limited number of scholarships based on their performance in academic achievement tests in English and Mathematics.

BEWARE!

The fifth grade students and teachers at Old Hammondtown School were treated to a program on February 27th called "Stay Clear, Stay Alive". It was presented by Mr. Desrosiers from the ComElectric Company. The children viewed a video depicting safety measures that need to be employed when working with and playing near electricity. Precautions and consequences were later discussed.

As part of the program Erin Kelley was chosen to model the appropriate gear of an electric lineperson. Each article was

described as to what it was made of and why. Safety was stressed throughout the entire program. The children now understand that they should call the electric company rather than tamper with electrical equipment and wires. One touch could cause a very serious accident.

Mattapoisett School Budget

A Public Hearing of the 1992-1993 Mattapoisett School Budget will be conducted March 9, 1992 at 7:30 p.m. at the Old Hammondtown School, Shaw Street, Mattapoisett, MA followed by a regular meeting of the Mattapoisett School Committee.

QUESTIONS ABOUT O.C. ANSWERED

Do any of these questions ever occur to you?...Why should I consider a vocational-technical education? Do vocational-technical graduates go on to college? Is there a way to explore career options before selecting an area to study?

These questions and others are answered in a single page brochure printed by the students in the Offset Printing Department at Old Colony Regional Vocational-Technical High School. The brochure attempts to answer eight basic questions which youngsters have about vocational-technical education. The brochure is available to members of the community by calling Old Colony's

Amanda Estes dies at 100

Amanda Estes, 100, of 79 North Street, Mattapoisett and formerly of Fall River, died February 23rd at the Mattapoisett Nursing Home. Daughter of the late Albert T. and the late Sarah (Johnson) Estes, she was born in Fall River and was a resident of that city most of her life. Miss Estes resided in Mattapoisett the last 12 years. A graduate of BMC Durfee High School she was an accomplished pianist and homemaker. She is survived by two nephews, Albert T. Estes, Jr. of Swansea, and Dr. Lee Estes of Mattapoisett, and several great nieces and nephews and great-great nieces and nephews.

Library & Skills Curriculum

ADOPTED BY SCHOOL COMMITTEES

On January 27th the school committees of the Marion, Mattapoisett, Rochester and Old Rochester Regional Schools adopted the (K-12) Library and Information Skills Curriculum. The curriculum was presented by committee chair Marie Pimental, Sippican Librarian, who was supported at the meeting by committee members Principal William Reed and Librarian Lynda Duggan from Old Hammondtown School.

The curriculum promotes the usage of the Library/Resource Center as a "learning laboratory", a place where students and teachers can be actively involved in learning. Library and information skills are gradually developed

throughout the grades at appropriate stages from readiness to advanced levels.

The implementation of the curriculum calls for a close working relationship between librarians and teachers (and was developed by both librarians and classroom teachers), the integration of library and information skills into all curricular areas, and strong support to provide the necessary resources. The document looks forward to utilizing the new technologies associated with information management.

School staff who developed the curriculum were: Sarah Alexander and Karen McHugh, high school; Joyce Bourdon, Lucille Morris and Charles Tate, Memorial School; Lynda Duggan and William Reed, Old Hammondtown School; Doris Friedeborn, Junior High School; Lynn Haugen and Luz Jackivicz, Center School; Fred Hutchings and Marie Pimental, Sippican School.

Wild West theme day will feature a mock rodeo with hog tying, barrel racing and roping. After the games we'll sit around the campfire, sing cowboy songs and learn about life on the range. Each child will have the chance to sit in a real saddle, learn how to twirl a lasso and make a bandana with a personalized brand marking it.

Pre-registration is absolutely required for the Wild, Wild West event. So send us a wire at 291-3186. Cowpokes ages 7-12 can ride along. Don't forget to wear your cowboy duds, or come as you are. Either way it's going to be a bang-up time.

Mass. Maritime Academy

Massachusetts Maritime Academy in Buzzards Bay will hold a "Women's Day" program on Thursday, March 19th, from 9:00 a.m. to 2:00 p.m. This program is designed to encourage women to pursue opportunities of Maritime Education with related careers in math and science.

The day's agenda will include tours of the campus and training ship, lunch with female alumni, and a panel discussion. Dorothy Burrill, Director of the Cape Cod Community College Women's Resource Center, will be the honored guest speaker.

Massachusetts Maritime Academy graduates receive a Bachelor of Science Degree and a professional license. The future cadets can choose from existing majors in Marine Engineering, Marine Transportation, Facilities and Plant Engineering and our new major for Fall 1992, Marine Safety and Environmental Protection. Our college is proud of its 100% land or sea job placement rate with average starting salaries ranging from $31,000 to $50,000.

The students receive a quality hands-on education at an affordable Massachusetts State College. They have a two semester program with an added "Sea Term" experience during the months of January and February. As part of this year's cruise, our students traveled to Italy and Spain. Our cadets live a regimented lifestyle yet there is NO MILITARY OBLIGATION.

is, for the most part, romantic impressionist/ representational. Parsons' love of the marshes, working harbors and small New England villages is readily apparent in his selection of subject material.

A graduate of Bucknell University and Temple University, Parsons has studied and painted with Blanchard Gummo, Marion Norberg, Christopher Schink and Ray Ellis. His work is in many private and corporate collections in the United States and abroad, and is frequently shown in several local galleries and art centers.

He is a member of the Bierstadt Art Society, the Copley Society, and the Marion Art Center. He is represented by the Windjammer Gallery in Bermuda and the Rogers Gallery in Mattapoisett. His displayed works at the hospital range in price from $250. to $850. Part of proceeds from any sale of the paintings will benefit the hospital.

Tobey's Art Partnership program gives local artists an opportunity to display their works, while providing enjoyment for hospital patients and visitors. Artists interested in participating in the program should call the hospital's Public Relations department at 295-0880, extension 205.

"The Lost Spindle"

"The Lost Spindle", a newly created tragicomedy inspired by 16th Century Commedia dell'Arte, will be presented by LiveOak and Company at 7:30 p.m. March 10th in the Main Auditorium of the University of Massachusetts Dartmouth.

Tickets are $5. for general admission, free to UMass Dartmouth students with ID. Sponsor is the University's Cultural Affairs Committee, 999-8743.

The members of LiveOak sing, play traditional instruments, and act in this story of a young shepherdess who dreams of a handsome shepherd but is forced to marry the local moneylender. The characters and plot have been created by the members of LiveOak and are based on models and dialogues found in the original songs from the time of Columbus.

LiveOak and Company, founded in Boston in 1976, uses a trio of voices, drama, and a variety of historical instruments to bring new life to medieval and renaissance music. Known both for its elegant concerts as well as for its fully staged dramatic productions, the group has performed at major festivals in Holland, Spain, Germany and America.

of the situation.

His reaction time and rescue effort may well be the difference between life and death for a person lost at sea.

Jon A. Faulkner, a Navy petty officer third class from Mattapoisett, is one of 18 instructors at the Navy's Search and Rescue School here. He prides himself in transforming sailors into fleet search and rescue (SAR) swimmers -- the heroes who risk their lives by jumping into the sea to save the life of another.

A swimmer himself, Faulkner instructs future swimmers in the intense four-week school.

"We provide trained rescue swimmers for the fleet", said Faulkner, the 23-year old son of Mary Fortner of Mattapoisett. "As a hospital corpsman it is my responsibility to teach the medical aspects of search and rescue, and to make sure that each SAR student is physically qualified to continue on with training should a mishap occur."

To be admitted to the school, an applicant must pass a 400-meter swim test, a 1.5 mile running test and complete 47 push-ups, 50 sit-ups and five pull-ups.

This test is a preview of 12-hour days filled with strenuous work-outs, arduous rescue drills, and classroom instructions that challenge a student's determination to be a search and rescue swimmer.

"Each SAR operation is different", said.

turn to the fleet. The school teaches first aid to enable the student to assess an injury, and quickly stabilize life-threatening conditions.

"So many variables can affect the success of a rescue attempt: weather conditions, sea predators, faulty rescue equipment, the list is endless", said Faulkner. "We strive to make the school realistic enough to give the students a feel of what the real thing will be like."

A SAR swimmer is equipped with a mask, fins, snorkel, wet suit and inflatable life vest. Beyond this equipment, he or she must rely on wits, strength and experience to make it back to the ship or hovering helicopter.

"Because the instructors monitor every pool and ocean session, our environment is controlled and students are taught safety in each SAR operation", he said.

"As an instructor, I feel really great when the students graduate from the school because I know I did my job", Faulkner said.

Faulkner says that he has really enjoyed being in the Navy.

"Away from teaching I enjoy long distance running events such as five and ten-K' runs, triathlons", said Faulkner. "I also enjoy outdoor sports such as hiking, rock climbing, and scuba diving. They all relate to SAR activities."

Woodland Walk

Come explore and learn about woodlot management! The Lloyd Center is offering a guided, "Woodlot Walk", on Sunday, March 8th, from 1:30 to 3:30 p.m. Led by certified forester Phillip Benjamin, participants will explore Gidley Woods in the town of Dartmouth. Mr. Benjamin will talk about the management of wooded property in addition to taking core samples of trees in order to determine the past histories, age and health of trees in the Gidley Woods. Participants will learn techniques of determining age and health of trees as well as "reading" weather histories of the area through the "decoding" of "stored data" in a tree's core sample. All are welcome and encouraged to come, see, and learn these fascinating and fun tidbits on the nature of the woods.

The fee for this walk is $6. for non-members, free to Lloyd Center members, and $1. for children under 12. Please pre-register for this walk by contacting the Lloyd center at 990-0505.

Future events to mark on your calendar include a Seal Watch on March 14th, the Equinox Star Watch on March 15th and Freetown/Fall River State Forest Walk on March 22nd. For information regarding these or any other Lloyd Center events call 990-0505.

Seal Watch

On March 14th the Lloyd Center will be traveling to Cuttyhunk Island for another exciting day of seal watching. The day begins with a trip on the M/V Alert out to Cuttyhunk Island to view seals hauled out on Pease Ledge and Gull Island. While traveling you will learn about the breeding, anatomy, and migration history of seals.

Dear Friend, I am writing to you to inform you that my name will appear on the election ballot for the position of BOARD OF HEALTH for the upcoming town election, TUESDAY, APRIL 7, 1992. Your supportive vote would be greatly appreciated. If you are not registered to vote, please do so! Knowing that the best form of any efforts for exposure are through "word of mouth", I am asking you to inform all of your friends and relatives who are registered voters in the town of Mattapoisett of my nomination. They are welcome to call upon me at any time to meet with me. I am listed in Directory Assistance as well. Again, your supportive vote for me, DR. DAVID ROBINSON for the BOARD OF HEALTH on TUESDAY, APRIL 7th, would be greatly appreciated.

Thank you for your time and consideration.
Sincerely, David W. Robinson

11th, will feature June Sprigg, Curator of Collections/Hancock Shaker Village and Gerrie Kennedy, Resident Basketmaker. In this slide/lecture program Ms. Sprigg will discuss Shaker basketry within the context of how they were used and made. Ms. Kennedy will bring molds, tools and basket materials to demonstrate how an ash tree develops into a Shaker basket.

The most renowned living connoisseur of Shaker crafts and lore, Ms. Sprigg was guest curator at the Whitney Museum and the Corcoran Gallery of Art for the acclaimed 1986 exhibition, "Shaker Design". Ms. Sprigg lived with the Shakers at Centerbury Shaker Village for three years after completing her studies in the Winterthur Program at the University of Delaware. She has written and published eight books and catalogues on the Shakers including her latest work, written with Jim Johnson, entitled "Shaker Wooden Ware: A Field Guide Volume I and II". Ms. Kennedy is co-author with Galen Beale of the forthcoming book, "Shaker Baskets and Poplar Ware-A Field Guide". Registration deadline is March 4th.

"Nantucket Lightship Baskets" on Thursday, March 19th, will be presented by Bob Marks, Basketmaker. Mr. Marks is a sixth generation Nantucketer who learned his craft on the island while still in high school. He worked as a pilot for many years before beginning to make basket commercially. In 1984 he and his wife Karen opened a store in Osterville called "Oak & Ivory" where they sell their traditional baskets.

The lecture/demonstration will delight all basket owners and basketmakers. Participants will gain a greater appreciation for the value of these collectible containers and will be more knowledgeable about its construction when deciding on future purchases. Registration deadline is March 11th.

"Native American Baskets: A Source of Inspiration", the last lecture in the series, will be held on Thursday, March 26th. Sarah Peabody Turnbaugh, Director, Museum of Primitive Art and Culture, will introduce Native American baskets from various culture areas with a focus on Northeastern plaited woodsplint basketry styles. Details of technique and/or design will be discussed.

Ms. Turnbaugh is Adjunct Assistant Professor in the Sociology and Anthropology Department at the University of Rhode Island in addition to being the Director of the Museum of Primitive Art and Culture in Peace Dale, Rhode Island. She is a graduate of Harvard/Radcliffe with a degree in anthropology and received her master's degree in textiles from the University of Rhode Island. She is the co-author (with William Turnbaugh) of "Indian Baskets" and has written several other books and many articles. Registration deadline is March 19th.

St. Paul Church, Cambridge, and the St. Paul Men's Schola, John Dunn, Music Director, for the Schubert Mass.

Dr. Eleanor Carlson of the UMass Dartmouth Music Department will deliver a free pre-concert talk at 3. The lecture will be held in the Community Center of the Olympia Towers, conveniently located opposite the Zeiterion.

As a bonus, the afternoon's concert will feature the Boston Archdiocesan Choir School Handbell Choir in works by Mozart, Payn and McLeary, under the direction of Joseph Policelli.

The BACS, founded in 1963, is one of the Boston area's premier ensembles. In addition to their regular performances at the beautiful St. Paul Church they have been selected to sing with the Boston Symphony Orchestra on several occasions and can be heard in recent BSO recordings of music by Mahler and Berlioz. The Choir has also appeared on both local and national television, including the Today Show.

The performance will be held at the Zeiterion Theatre and tickets, priced at $15., $13. and $10., may be reserved by calling the box office at 994-2900. There is a $2. discount available for seniors and students. For further information on this and future events please call the Symphony office at 999-6276.

MODEL TRAIN SHOW

Are you suffering from the winter doldrums? Does your family have a bad case of cabin fever? Then why not get out and attend a model trains show!

The Down East Model Railroad Association (DEMRA) will sponsor its seventeenth annual Model Trains Show on Sunday, March 8th, at the Middleboro High School on Route 28 in Middleboro, MA. This year's show will feature over 120 tables, with something for everyone to enjoy.

Model train hobbyists will find a wide variety of model train dealers at the show, both local and from out of state. Visitors will be able to search for the best bargain or that hard-to-find item from over 40 dealers. In addition, visitors can sell their old model trains at DEMRA's white elephant table.

For those interested in the history of local rail transportation, there will be several representatives from railroad historical societies. The New Haven Railroad Historical & Technical Association, which has featured several local articles in its quarterly magazine, the Shoreliner, will be at the show. Recent articles have included the story of The Flying Dude, a private luxurious Boston-Woods Hole train which operated around the turn of the century, the history of the Cape Cod Canal Railroad Bridge, and the history of New York-Cape Cod rail passenger service.

Members of the Old Colony & Fall River Railroad Museum will also have tables at the show. The museum, located at Battle-

ship Cove along the Fall River waterfront, is dedicated to preserving the history of rail transportation in Fall River and southeastern Massachusetts. The museum is currently restoring New Haven RDC #42, the Firestone. This self-propelled car served railroad passengers throughout southeastern Massachusetts and Cape Cod from the early 1950s into the mid-eighties.

For people interested in the future of rail service in southeastern Massachusetts, the Massachusetts Bay Transportation Authority will present information on the Old Colony Railroad Rehabilitation Project. This project, now completing its environmental review, will restore commuter rail service from South Station to Boston to Middleboro, Plymouth and Scituate by late 1996. Construction on this important project will begin later this year.

Of course, there will be operating model trains, railroad movies and homemade food for the entire family to enjoy. Northeast N-Trak will have a 20 by 24 foot N-scale layout in operation. The Cape Cod Model Railroad Club will have an 8 by 12-foot HO scale layout, and the Cape Cod Garden Railway Society will have an 8 by 10- foot G scale layout.

DEMRA will also hold an Open House at its club building, 17 Green Street, at the North Carver village green. The club has rehabilitated a former grange hall and now has four layouts under construction. Operating N, HO, O/On2 and G-scale layouts will be featured at the club.

So, plan on attending the DEMRA Model Trains Show March 8th at Middleboro High School. To get to the high school take exit 4 off I-495 to Route 104 North. Follow Route 105 North to Route 28 South; follow Route 28 south approximately one mile to the

Veterans' Update

VETERANS URGED REFINANCE HOME LOANS

With VA home loan interest rates at their lowest in 14 years, the Department of Veterans Affairs is encouraging veterans to refinance existing, higher rate VA-guaranteed home loans.

According to John Montgomery, Director of the Providence Office, the current interest rate on a VA guaranteed home loan is 8 percent. He encourages veterans to refinance loans with interest rates that are two percent or more higher than the current rate. For lesser differences in rates, refinance costs eat up much of the savings.

Nationwide, more than one million VA-guaranteed loans currently carry interest rates of 10 percent or higher, with a total dollar amount of more than $65. billion. The potential individual and collective savings to veterans are substantial. An $80,000, 30-year loan at 10 percent, for example, has

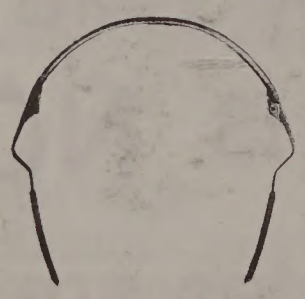
M Frames. The only things that cling to faces better than Ron Kauk.

Stuck to a crumbling sheet of rock, several thousand feet above the nearest horizontal surface, Ron Kauk has many things to worry about.

Eye protection is not one of them.



Our unique 3 point fit accommodates any size head.

Because Ron never goes up without his Oakley M Frames,® the only sunglass with a head-hugging three-point fit, malleable ear stems, slip resistant hydrophilic nose bridge and a wraparound frame.

Exclusive M Frame design, with its ingenious three-point fit, snuggles comfortably to your ears and nose. While exclusive hammer™ earstems are gently formed to fit your particular head perfectly. As a result, M Frames stick to your face like goggles. Yet they weigh a fraction of regular sunglasses.

Of course, Oakley's famous pure Plutonite® lens offers maximum optical clarity and impact resistance, while blocking 100% of all UV and blue light. And, when you get as close to the sun as Ron Kauk does, that's important.

So, next time you want to play human fly, slip on a pair of M Frames. Like Ron, you'll be stuck on them.
